ONE WORLD ONE FAMILY - WORLD CULTURE EXHIBITION

A Journey into the Shared Consciousness of Humanity

The One World One Family - World Culture Exhibition offered visitors an immersive and contemplative journey into the shared heritage of humankind. Rooted in the timeless philosophy of Vasudhaiva Kutumbakam - the world is one family; the exhibition unfolded as a living narrative of humanity's collective evolution.

Bringing together art, artefacts, symbols, and ideas from diverse civilisations, the exhibition revealed how cultures across geography and time have emerged from a common essence, the spirit of life that unites all beings.

Rather than highlighting differences, the curatorial vision gently guided visitors to recognise the underlying unity that flows through humanity's varied cultural expressions.

Each room within the exhibition was thoughtfully anchored by a sensorial element, engaging visitors through tactile, visual, or experiential stimuli. As visitors progressed through the exhibition, the journey unfolded symbolically from the cosmic origins of existence, through the rise of civilisations and shared human values, culminating in the universal message

of One World, One Family. Inaugurating the exhibition, Ms Shobha Karandlaje (Union Minister of State for MSME, Labour & Employment, Govt. of India) shared: "The World Culture Exhibition is yet another expression of compassion in action, bringing cultures together not to compare or compete but to understand, appreciate, and celebrate each other."

Adding to the spirit of the occasion, Dr Ramesh Chandra Gaur (Dean - Administration, Indira Gandhi National Centre for the Arts) remarked, "This is not just an exhibition, but the celebration of the oneness of humanity."

CENTENARY CELEBRATIONS OF BHAGAWAN SRI SATHYA SAI BABA

Hinduism, Christianity, Islam, Judaism, Jainism, Buddhism, Sikhism, Taoism, Shintoism, Zoroastrianism, Bahá'í, and Confucianism converged to celebrate the light each tradition offers humanity, reinforcing the timeless vision of "One World, One

Family." Sacred voices from across faiths echoed a universal message - different paths, one shared truth. The World Religions Summit 2025 emerged as a collective step towards nurturing a new world order grounded in compassion, understanding, and global unity, affirming humanity as one family.

A HUNDRED YEARS, ONE MESSAGE: LOVE ALL, SERVE ALL

23rd November 2025 | Sathya Sai Grama, Muddenahalli

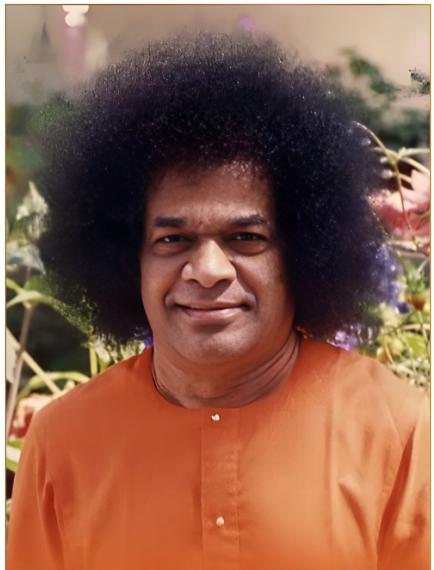

Statue of Love

Carved from a single block of pristine Carrara marble with exceptional precision and artistry, the majestic 21-foot-tall statue of Bhagawan Sri Sathya Sai Baba was unveiled by Sadguru Sri Madhusudan Sai in the central lobby of the new 600-bed hospital at Sathya Sai Grama, on the 100th Birth Anniversary of Bhagawan Sri Sathya Sai Baba, 23rd November 2025.

The monolithic marble statue was unveiled in the august presence of His Excellency

the President of Fiji, Ratu Naiqama Lalabalavu, and the Honourable First Lady, at Sathya Sai Grama, Muddenahalli.

The sacred occasion was further graced by several distinguished dignitaries, including Ven. Nivarthapa Thero, Sri Madhu Pandit Dasa, Avadhoota Sri Vinay Guruji, Sri T. B. Jayachandra, Mr Sunil Gavaskar, Mr Aravinda de Silva, Dr C. Sreenivas, and Dr B. N. Narasimha Murthy.

Unity of Faiths: A Living Message of Bhagawan Sri Sathya Sai Baba

“I have not come on behalf of any exclusive religion. I have come not to disturb or destroy any faith, but to confirm each in his own faith. I have not come on any mission of publicity for any sect or creed or cause; nor have I come to collect followers for any doctrine. Let the different faiths exist, let them flourish, and let the glory of God be sung in all the languages and a variety of tunes. That should be the ideal. I have come to tell you of this unitary faith, this spiritual principle, this path of love, this virtue of love, this duty of love, this obligation to love.”

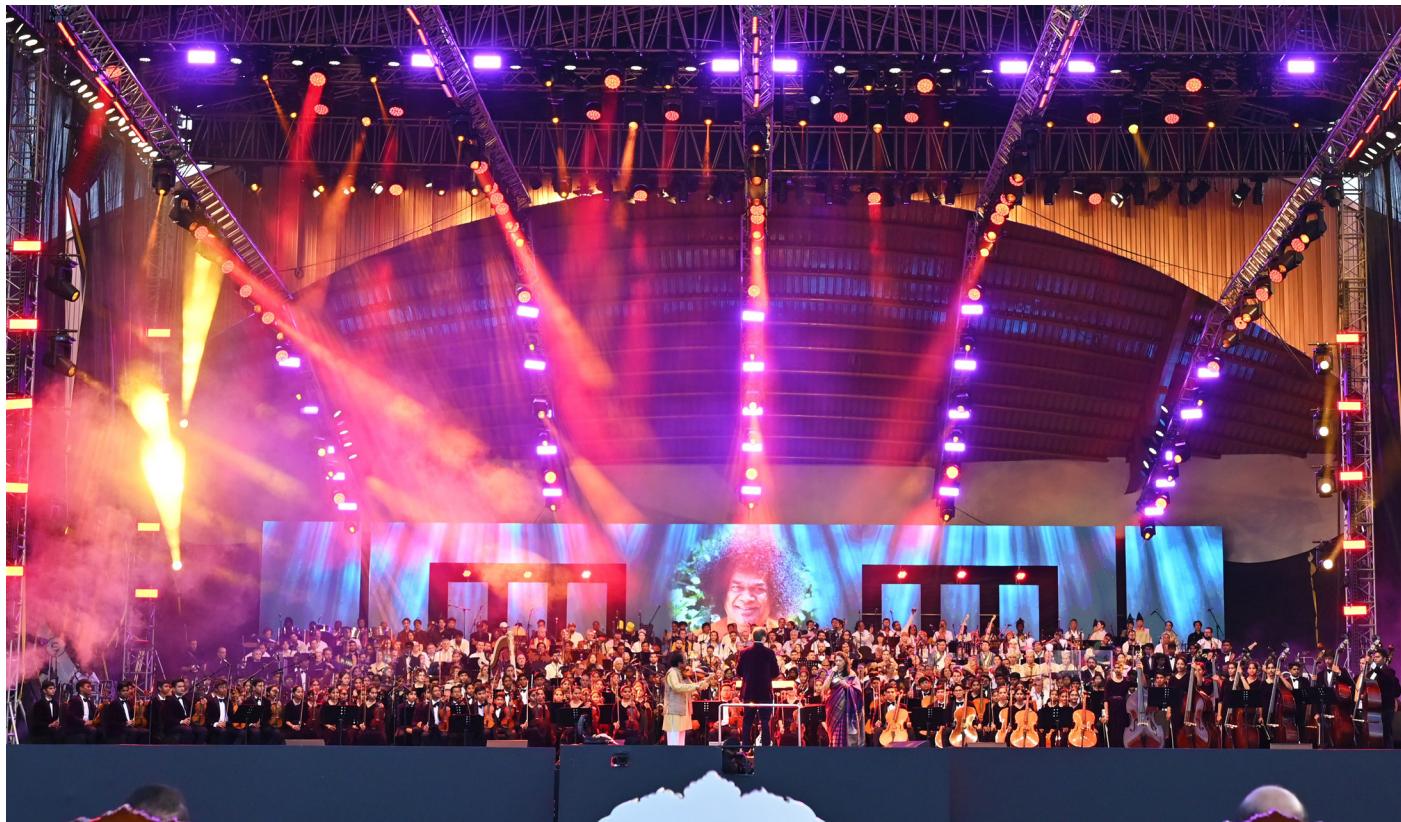

- Bhagawan Sri Sathya Sai Baba

Bhagawan Sri Sathya Sai Baba's life and teachings stand as a profound testimony to the unity of all faiths. His universal message upheld the principle that all spiritual paths, when followed sincerely, lead to the same Divine Truth.

The Valedictory Session of the World Religions Summit was held on 23rd November 2025, commemorating the 100th Birth Anniversary of Bhagawan Sri Sathya Sai Baba. The conclusion of the summit on this auspicious day symbolised the fulfilment of His divine message - that peace in the world can be achieved only when individuals recognise the oneness of humanity.

ONE WORLD ONE FAMILY SYMPHONY ORCHESTRA

Sathya Sai Grama witnessed an extraordinary moment as the One World One Family Symphony Orchestra came alive in reverence to the Centenary Birthday celebrations of Bhagawan Sri Sathya Sai Baba.

The evening unfolded in breathtaking grandeur, uniting 450 musicians, 250 international artists, 200 performers from the Sai Symphony Orchestra, and a 70-member global choir. Each performance echoed the eternal message of oneness, harmony, and divine grace. More than a concert, it was a historic confluence of music, faith, and global togetherness, where every note carried love, and the world truly felt like one family.

A HISTORIC MILESTONE FOR THE ONE WORLD ONE FAMILY MISSION

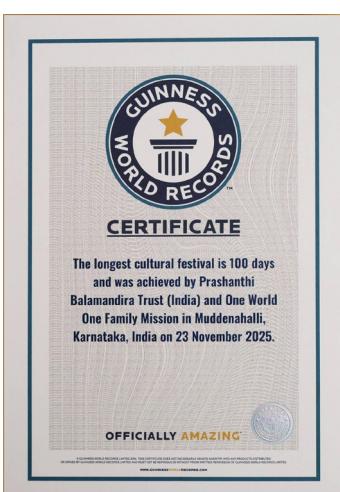

The One World One Family Mission reached a remarkable global milestone, being honoured with two prestigious Guinness World Records - moments of pride and gratitude that continue to inspire us.

WHITE COAT CEREMONY OF THE THIRD MBBS BATCH AT SRI MADHUSUDAN SAI INSTITUTE OF MEDICAL SCIENCES & RESEARCH

The White Coat Ceremony at Sri Madhusudan Sai Institute of Medical Sciences and Research (SMSIMSR) marked the formal induction of MBBS students into medical education and training.

In a solemn ceremony, the Revered Founder, Sri Madhusudan Sai, presented white coats to the third batch of MBBS students of SMSIMSR. The students collectively recited the Charaka Šapatha, an ancient Indian oath outlining the ethical principles of medical practice. By reciting the Charaka Šapatha, the students pledged to uphold dharma in healing, to serve

every patient with compassion and integrity, to place the welfare of the sick above personal gain, and to practise medicine with humility, discipline, and reverence for life.

The chant echoed the profound Indian wisdom that views the physician not merely as a professional, but as an instrument of healing and service.

This meaningful observance reaffirmed SMSIMSR's commitment to nurturing doctors who are not only clinically competent but also ethically grounded and socially conscious.

LIVING THE TRUE SPIRIT OF CHRISTMAS

Adding to the excitement, Santa

Claus made cheerful appearances across the campuses, delighting the children and filling the atmosphere with smiles, laughter, and festive cheer.

The celebrations highlighted the life and teachings of Jesus Christ, encouraging students to practise love, kindness, and compassion in their daily lives.
