A SPOT LIGHT

Back to School, A Joyous New Beginning

The new academic year commenced with great enthusiasm across all our campuses. We are especially delighted to welcome 370 new students into Grade 6, from rural and underprivileged backgrounds.

They were warmly received into our ever-growing family and provided with joining kits containing all essentials for their academic journey and comfortable stay in the hostel. As they step into this new phase of life, surrounded by love, care, and opportunity, we look forward to nurturing their growth into young, confident, university-educated, values-driven individuals.

The comprehensive Joining kit contains essential items for both school and hostel life, encompassing the following categories:

**LUGGAGE SET | CLOTHING SET | BEDDING SET | DINING SET | TOILETRY SET |
STATIONERY SET | ARTS & CRAFTS SET | FOOTWEAR SET**

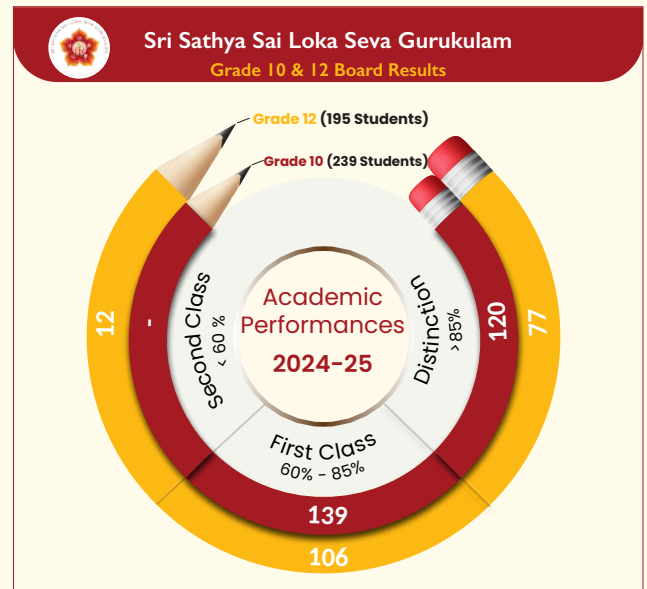

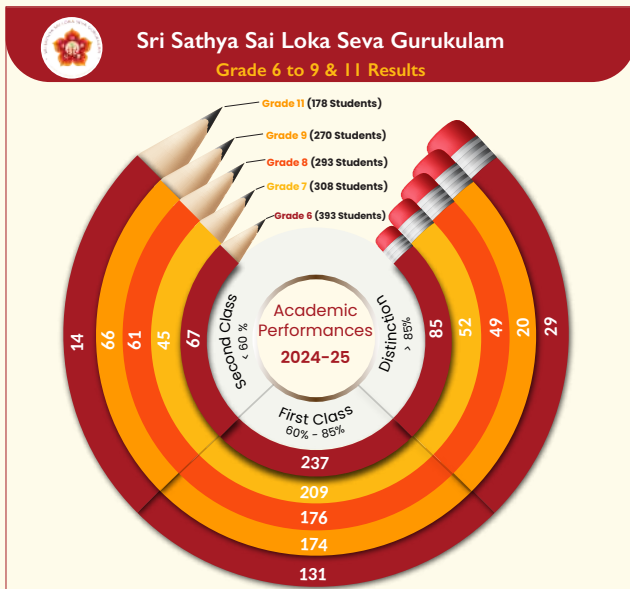

Distribution of Joining Kits to Our New Students

Celebrating Success - Our Students Shine in the Final Exams of AY 2024-25

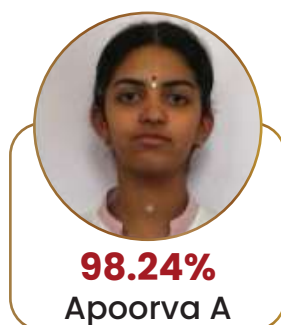

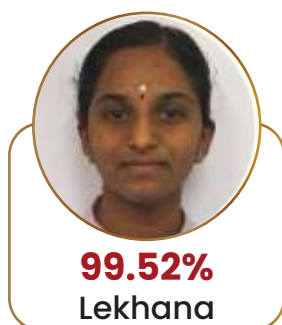

We are delighted to share the outstanding academic achievements of our students in their final exams this year. Their hard work, dedication, and perseverance have yielded remarkable results, with many of our students excelling beyond expectations. This success is a testament to their commitment and the

unwavering support from our patrons, whose contributions have made a significant impact on their educational journey. Together, we are empowering these young minds to achieve their fullest potential and shaping a brighter future for them. **Thank you for your continued support and belief in our mission.**

B UPDATES FROM THE CAMPUSES

Vishwanath Gavaskar Cricket Academy Begins its Innings

The Vishwanath Gavaskar Cricket Academy, a transformative initiative by Sri Sathya Sai Loka Seva Gurukulam, commenced with its first batch of 18 students on May 2nd, 2025, at the Sai Krishnan Cricket Stadium, Muddenahalli.

Named in honour of cricketing legends Sri Gundappa Vishwanath and Sri Sunil Gavaskar, the academy is dedicated to nurturing young rural talent through world-class coaching, facilities,

and mentorship - all completely free-of-charge. In addition to intensive cricket training, students also pursue their NIOS academic curriculum, ensuring a well-rounded development.

This visionary initiative seeks to bridge the urban-rural divide in sports by seamlessly integrating values-based education with elite cricket training, nurturing a new generation of disciplined, dedicated, and dynamic champions for the nation.

World Environment Day Celebrations

Not Just a Day, But a Daily Way

World Environment Day was celebrated with enthusiasm across our campuses through a variety of meaningful activities that echoed our commitment to environmental stewardship and sustainable living.

Tree Planting Ceremonies were organised, with students and faculty coming together to plant saplings and nurture a greener tomorrow. Educational Walks and Explorations around campus flora helped students appreciate the ecological wealth around them and fostered conversations on sustainability.

Creative Competitions like drawing, poster-making, wealth out of waste, and essay writing brought forth the talents of our students while

inspiring everyone to reflect on our collective role in protecting the planet. Thought-provoking presentations by our students further deepened awareness about the origins, relevance, and global efforts surrounding Environment Day, and offered practical ways we can all contribute to a more conscious, eco-friendly lifestyle.

At our institutions, such initiatives are not limited to one day alone. Environmental care is woven into our daily routines and value-based education. From tending to campus gardens to practising waste segregation and mindful consumption, our students are guided to live in harmony with nature. In doing so, we nurture responsible citizens who not only understand the importance of sustainability but embody it every single day.

International Yoga Day Celebrations

Commitment to Holistic Well-being

Yoga is an integral part of our students' daily routine, reflecting the profound importance we place on yoga and mental well-being within our education eco system. Each day begins with a dedicated yoga session, helping our students cultivate physical strength, mental clarity, and emotional balance. This practice fosters a holistic approach to education, ensuring that our students are not only academically proficient but also well-rounded individuals.

International Yoga Day on June 21st every year, serves as a special occasion to underscore our unwavering commitment to this philosophy. On this day, our entire community came together to celebrate the transformative power of yoga, reinforcing our dedication to nurturing well-rounded and resilient students.

Yoga comes from the Sanskrit root "yuj" that means "union, to unite or to connect" It is the union of mind, body and spirit. Yoga is a philosophy of life and a state of mind

C UPDATES FROM THE ORGANISATION

Young Minds; Big Ideas

Four of our young changemakers from **Sri Sathya Sai Loka Seva Gurukulam**-aged just 14-represented India at the ISF **Global Unicorn & AI Summit 2025** in Texas, USA.

Pranav Sai and **Pranav** created **Wave Warn**, a hyperlocal AI model that predicts heatwaves using satellite data and weather APIs.

Tej and **Saket** built **Sense Vibe**, a low-cost, Arduino-powered wearable for the visually and hearing impaired.

These innovative ideas were first showcased at the India Start-Up Fest 2024, where they were selected to represent India on the global stage at the international Start-Up Fest held in the USA.

These brilliant minds are living proof that innovation has no age, and **rural India is brimming with potential**. We're proud to nurture students who are not only academically strong but also socially conscious and future-ready.

Devendra D N - Walking the Path of Purpose and Excellence

Devendra D N

We are very proud to share that **Devendra D N**, has successfully cleared the **DBT - BET (Department of Biotechnology - Biotechnology Eligibility Test)** - a prestigious national-level fellowship awarded by the Department of Biotechnology, Ministry of Science and Technology, Government of India. This fellowship supports talented students in pursuing doctoral research in biotechnology and life sciences across reputed institutions in India.

Devendra's academic journey is a shining example of commitment and perseverance. Hailing from **Doddaballapura** village, Devendra joined our Mandya campus for his secondary education, and continued through PUC and graduation in Life Sciences, during which he was conferred with the **All -Rounder Gold Medalist award** for his outstanding academic and co-curricular performance. He then pursued and completed his **Post-Graduation in Life**

Sciences, further deepening his research interest. Demonstrating consistent academic excellence, Devendra also qualified the UGC-CSIR NET for Lectureship with an **All-India Rank of 106**. He is **currently pursuing a Ph.D.** focused on genomic and proteomic biomarkers of MASLD (Metabolic Dysfunction-Associated Steatotic Liver Disease). In addition to his academic milestones, Devendra has actively contributed to research and publishing. He has co-authored book chapters in reputed publications such as Elsevier's Academic Press and Iterative International Publishers.

Devendra comes from a humble background and his younger brother is currently pursuing **MBBS at Sri Madhusudan Sai Institute of Medical Sciences and Research (SMSIMSR)**. His journey reflects the transformative power of free, values-based education. We congratulate Devendra on this remarkable achievement and wish him continued success in his research pursuits.

Young Historians Shine Nationally

National Essay Winners with Dr. Vikram Sampath, Celebrated Historian

Honourable MP Shri Tejasvi Surya Felicitates the National Essay Winners from Sri Sathya Sai Loka Seva Educational Institutions

Navaneetha R (Grade 7) and Deepa Venkoba Yatnatti (Grade 8) from Sri Sathya Sai Loka Seva Educational Institutions emerged as national winners of the **Sri Aurobindo Annual History Essay Competition 2024-25!** Selected from over **1,500 entries** submitted by students across India, their achievement marks a proud milestone for our institution.

Organised by the **Foundation for Indian Heritage Culture and Research (FIHCR)** and spearheaded by renowned historian **Dr. Vikram Sampath**, this prestigious competition encourages middle school students to delve into

India's civilisational ethos and cultural legacy. We are also honoured that our institution was **felicitated** for its consistent efforts in imparting **holistic education rooted in Indic knowledge traditions**.

Our sincere thanks to the esteemed jury chaired by **Sri Ashwin Sanghi** and **Sri Amish Tripathi**, and to the **Chief Guest, Honourable MP Shri Tejasvi Surya**, for inspiring young minds and recognising their potential. Here's to many more such moments of nurturing knowledge, instilling values, and building **future leaders!**

Running for a Cause; Youth Power in Action at the TCS World 10K Run 2025

For the third consecutive year, the Each One Educate One Foundation proudly participated in the TCS World 10K Run 2025, rallying supporters to champion the cause of free, quality education for rural children. This year's participation was made even more special with the enthusiastic involvement of students from Sri Sathya Sai University for Human Excellence, creating a unique synergy of purpose, youth energy, and social commitment.

Twelve students from the Post Graduate Diploma in NGO Management program at the University joined hands with Foundation volunteers, immersing themselves in a practical learning experience of fundraising, public engagement, and grassroots outreach-

key components of managing and sustaining not-for-profit initiatives.

A highlight of this year's event was inspiring participation of Siva Sabari Rahul K, a 17-year-old national-level athlete, professional footballer, and passionate marathoner, who ran as a Kindness Advocate for the Foundation. Representing Karnataka at the CISCE Games 2024, Siva brought his athletic spirit and compassionate heart to the cause, helping amplify awareness for rural education and underlining the power of youth in driving societal transformation.

Every stride taken during the run symbolized a step closer toward a future where no child is denied education due to poverty.

Siva Sabari Rahul K

17-Year-old Siva, a national-level athlete and marathoner, signed up as an individual fundraiser for Each One Educate One Foundation.

Guru Vikas Program - Training the Next Generation of Teachers

Sri Sathya Sai University for Human Excellence recently concluded the 'Guru Vikas' - SSSUHE graduated & postgraduated Teachers' Training Program - an intensive and inspiring 12-week initiative designed to train and groom not just skilled educators, but humane teachers committed to the holistic development of rural students - a visionary capacity building initiative in rural India by Sri Sathya Sai Loka Seva Gurukulam group of Institutions.

Held from April 15th to July 5th, 2025, the Program provided 91 participants with a comprehensive foundation in Educational Philosophy, Educational Psychology, Educational Sociology, pedagogy, Educational Technology, Assessment Practices, Professional Ethics, Paravidya, Value Education, and hands-on classroom experience. The transformative journey not only equipped them with teaching competencies but also inspired them to become joyful and creative facilitators of learning. Participants expressed heartfelt gratitude for the enriching experience, with many acknowledging the program's pivotal role in shaping their identity as value-based educators.

Dr. Gaurav Rao
Professor, Indira Gandhi National Open University (IGNOU)

Dr. Saritha Anand
Assistant Professor, Visva-Bharati University, Shantinikethanam

Program Objectives

The Guru Vikas Program was designed with a clear vision to:

- **Enhance Pedagogical Skills & Knowledge:** Equipping student-teachers with modern teaching strategies & innovative methodologies.
- **Foster Professional Growth & Development:** Promoting continuous learning, ethical conduct, and reflective practices in the teaching profession.
- **Improve Student Learning Outcomes & Well-being:** Emphasizing student-centric methods that support both academic achievement and personal growth.
- **Strengthen the Education System:** Preparing highly competent teachers capable of uplifting the quality of education.
- **Prepare HUMANE Teachers:** Instilling core values to enable teachers to lead with love, empathy, and wisdom.

Curriculum Overview

The program featured a meticulously structured curriculum, delivered through eight comprehensive modules:

- **Foundations of Education**
- **Pedagogy and Teaching Practices**
- **Educational Technology and Innovation**
- **Assessment and Evaluation**
- **Professional Development and Ethics**
- **Practicum and Fieldwork**
- **Paravidya**
- **Value Education**

Each module blended theoretical learning with practical insights, ensuring a well-rounded preparation for real-world teaching scenarios.

Through Guru Vikas, the University continues to uphold its mission of preparing dedicated educators who will shape the future of our nation with compassion, competence, and character.

When the Maestro Witnessed Western Symphony from a Rural Ensemble

Our young prodigies from the Sai Symphony Orchestra - India's largest symphony composed of rural children - had the rare honour of performing before the legendary **A.R. Rahman, Oscar and Grammy - winning composer.**

From remote villages to resounding global stages - these children are a testament to what holistic education and equal opportunity can truly achieve.

"This is the most vibrant youth orchestra I've ever seen. It has the potential to become the leading orchestra of India"

D CSR CORNER

Analog Devices CSR Team Visits Sathya Sai Grama

*Sri Shankar T S, Sales Director
& CSR Head*

Skit by Students

Interaction by the Team

Mr. Srinivas Prasad, Senior Director & India Site Head, along with the Analog Devices team, receiving tokens of gratitude

We were delighted to welcome the CSR team from Analog Devices India on Saturday, 24th May, at Sathya Sai Grama, Muddenahalli. After a tour of the institutions at the Muddenahalli campus, the team from ADI visited our Prashanthi Balamandira Girls School, Chikkaballapura, to witness some heart-rending presentations by the higher primary and secondary school students. The team visited the Girls' PU College & University Campus in Nallakadirenahalli after that, where our students rendered inspiring talks and some wonderful performances.

We extend our deepest gratitude to Sri Srinivas Prasad, Senior Director & India Site Head, Sri Shankar T S, Sales Director & CSR Head, and the young, dynamic team of CSR Volunteers from Analog Devices for their thoughtful presence & continued support.

Such engagements by our CSR partners and patrons play a vital role in strengthening our mission to nurture, educate, and empower underprivileged girl children across rural India.

Hewlett Packard Enterprise Volunteers Create a Meaningful Day of Giving Back at Sathya Sai Grama

On Monday, 28th April 2025, a team from the Technical Communications Department at HPE spent a day at Sathya Sai Grama as part of their Volunteering Month initiative. The visit was organized in collaboration with Prashanthi Balamandira Trust, which runs multiple service initiatives across education, healthcare, and nutrition.

As part of their engagement Ms. Sandhya Ranganathan (Technical Communications Leader) and Mr. Anupam Das (Content Management Expert) conducted an insightful session on Documentation Methodology for the NGO Management students of Sri Sathya Sai University for Human Excellence. The session provided practical knowledge and industry perspectives that greatly enriched the students' learning.

The team also actively participated in assembling Joining Kits, the carefully curated kits containing all essentials needed by students joining our residential institutions. Some team members extended their support in packing groceries at the Daily Needs Store of our campus.

Employee volunteering goes beyond corporate responsibility; it fosters empathy, builds community, and strengthens the bond between purpose-driven organizations. This day was a wonderful example of how corporate skills and compassionate hearts can come together to serve a larger cause.

A heartfelt thank you to the team from HPE for choosing to spend your day with us, contributing both your time and expertise.

GEA Westfalia Leaders Witness Values in Action at Sathya Sai Grama

Revered Founder Sri Madhusudan Sai with the Visiting Leadership Team from GEA

On Monday, 26 May 2025, we had the honour of hosting a high-level delegation from the German MNC - GEA Westfalia Group, including senior leaders from their Global and India teams. Though in India for their flagship business event, the team made it a point to visit our headquarters at Sathya Sai Grama in Chikkaballapura district of Karnataka, a testament to their appreciation for the transformative work being carried out through our education and healthcare initiatives.

The delegation received an insightful overview of our mission that integrates holistic, values-based Education, high quality secondary and tertiary Healthcare & Nutrition. They were introduced to the far-reaching impact of our initiatives across India and witnessed firsthand our commitment to STEM education, that also included a felicitation ceremony held for high-performing students supported under the STEM initiative. A highlight of the visit was a special audience with our Revered Founder, Sri Madhusudan Sai. The GEA team was deeply moved by the shared vision of “One World One Family” and the powerful message of

compassionate service that drives our mission. The discussion illuminated the global potential of integrating education and healthcare as a unified force for societal transformation. Following the interaction, the delegation embarked on a guided tour of the campus, that offered them an immersive experience of the ecosystem of selfless service, values, and transformation.

This visit marks the beginning of a long and meaningful partnership with the GEA Group. With over 270 students already being supported for STEM education at both School and University levels, this collaboration is poised for significant growth going forward. The visit not only reinforced the strength of the current engagement, but also revealed a shared aspiration to scale impactful, collaborative efforts globally.

We extend our heartfelt gratitude to the GEA leadership for their time, encouragement, support and most importantly, their willingness to walk hand-in-hand with us on this journey of nation-building through selfless service.

Volvo Sponsors Smart Classroom at Sri Sathya Sai Sathyaniketanam

A state-of-the-art Smart Classroom was inaugurated at our Sri Sathya Sai Sathyaniketanam campus in Hassan, generously supported by Volvo Group India as part of their CSR initiative.

The event was graciously honoured by the presence of Sri G.V. Rao, Director, Volvo CSR, whose vision for inclusive and equitable

education deeply resonates with our mission. The Smart Classroom is equipped with modern digital tools aimed at enhancing the teaching-learning experience for our rural students, empowering them with access to quality education and global knowledge resources. We express our heartfelt gratitude to Volvo for their commitment to social impact and educational transformation.
